Easter Bonnets come from European traditions. After Easter church services, women of upper class families would ride up and down the main streets of the city to show off their new Easter dresses and hats. Easter bonnet parades have become a popular tradition in New York.

LE FRENCH MAY 法國五月

天空藝術·天馬行空
Skyart by Thomas Lamadieu

「法國五月」再度與灣仔皇后大道東The East攜手帶來法國當代新勢力。首度來港的法藉80後多媒體藝術家Thomas Lamadieu就「天」取材，仰望城市中建築間的天空縫隙，以廣闊無限的藍天作畫布，創作一系列的「天空藝術」作品，揭示繁華鬧市建築群中另有洞天的一面。

This May, The East at Queen's Road East is going to waltz again with "Le French May" to present the works of one of the most phenomenal contemporary French artists, Thomas Lamadieu. Instead of seeing the sky as a normal empty space, Thomas looks up between buildings to see French characters playfully interacting with the urban landscape, using the indefinite and mysterious space of the blue sky as the ground of expression and the canvas for his art.
